bling water, the best sights and sounds of nature are all here in Eureka Springs. The best of everything here is absolutely free—you take all you want and no questions asked.

Nature worked out a magnificent scheme here, and the railroad systems are developing nature's resources.

When the thermometer is away up near the 100 mark there are innumerable places of easy access, where one can be delightfully comfortable.

The hotels and boarding houses have all the comforts and modern conveniences at satisfactory prices. You can take your choice from a rate ranging from three dollars to thirty dollars per week. Families and parties in furnished rooms, have been known to get the best there is here in sights and sounds and water and air at a cost of two dollars per week.

This being an all-the-year-round place of resort for the well, tired and sick people, there is not that spirit that is common at summer resorts:—"This is our harvest time, you know."

Here is to be had the quiet and seclusion of the seashore, or the society necessary for the latest de luxe and belle—all the between degrees.

Musical all the way from insect and bird kind, the tink, tink, tink of the cow-bell away up the shady glen, to the crooning lullaby of the old mammy, or the "Here I Raise My Ebenezer" by a soft melodious voice coming from way up the mountain side where an old colored "ammy" bends over the tub doing "lives family washin'" to the voice that has been "trained above."

People who have been abroad and have traveled much in this country say for variety of scenery and modern benefits derived for expense and energy there are more advantages here than they have found elsewhere. The pictures that one can hang on memory's walls, as one rides over the mountains and round through the dells and glens, on horseback or drives along the winding roads, cannot but be a source of great benefit and pleasure for ever afterward.

The distance is only a day's ride from Wichita, through a very pretty country with no tireless delays along the road and the best railroad accommodations. Only one change to walk across the Princeton station platform to the St. Louis and

North Arkansas train in waiting for you. Plenty of carriages and electric cars in waiting at station.

Those who are already here are Mrs. Burnett, Miss Mary Cook, Miss Agnes Conway, Mr. and Mrs. Diamond and family, Mr. and Mrs. Williams, Mrs. Alice Morehead and son, Leon, Mrs. Kyle and little Helen, Miss Lulu Hatten, Mrs. Taylor and son, Leland, Prof. Robinson and Miss Shultz.

The Prince band from Lyons, Kan., is here for a week. Mr. C. S. McCray, the leader has arranged an excellent program. The concerts are at the Basin Spring at seven-thirty. The large crowds that greet them every evening attest the pleasure of the people and the guests.

The concert and ball at the Auditorium Wednesday evening was a delightful affair and made a gay scene for many in attendance. The band boys are genial fellows and have won laurels for themselves besides scoring some more for the Prince system.

P. S.—When you come don't forget to bring one luncheon with you.

P. S.—No fees, no mosquitoes, no flies, no snakes, no hop toads, no chiggers (if you wear short dresses and keep off the grass).

What Is the Cause of the Rapid Falling Off of Man's Existence?

Adam lived 930 years—Noah died aged 950. For fourteen centuries man lived on vegetables and there was no decrease in the years of life. From the time of the Flood to the time of Moses, about eight centuries, flesh eating existed and there was a decrease of 800 years in the longevity of man. Is not the rapid falling off of man's existence traceable directly to meat eating? The foods for a long life are those that come from Mother Earth—vegetables, fruits, nuts and cereals.

LAWRENCE-ERWING.

The wedding of Miss Anna Dell Erwing and Mr. Charles Smith Lawrence occurred at the residence of the bride's father in El Dorado, Kan., on Wednesday evening at 8:30 o'clock.

Before the ceremony Mrs. J. G. Erwing sang "So Fair a Bride Shall Pass Today." After the ceremony the bride and groom were seated at a table with the bridesmaids and groomsmen. The bride is a daughter of Mr. F. H. Erwing of El Dorado. She graduated from the El Dorado high school and also from the Emporia college.

The groom is from Wichita, a son of Mr. B. H. Lawrence of this city. He graduated from Lewis academy and the college of Emporia. He also graduated from Princeton.

"TROLLEY PARTY OF ATHLETES."

The athletes and their lady relatives and friends enjoyed a delightful trolley ride Thursday night, traveling over the entire system with the exception of one or two minor lines. They started before 8 o'clock in a special summer car, and did not reach their homes much before midnight. The banner of the young men's society in Wichita floated from the trolley pole, while the sides of the car were decorated with artistic trade signs of the business firms represented in the athletic club, the same being the Wichita Daily Eagle, The Tribune, The Golden Eagle, Herman & Sons, Robinson & Co., George Jones & Co., Daniel Bros., A. M. Weinberg, The Wichita Star, and the Price Current.

The athletic club is an association of the amateur athletes of Wichita. The men who were present at the trolley ride, when recorded in the pages of the local press, gives everybody a fever to buy something. They are the men whose seductive presentation of merchandise causes the most successful business to desert the trolley car, to revel in the excitement and crash of a bargain or slaughter sale.

Those who composed the trolley party were Mr. Marshall W. Dorsey of the Eagle with his wife and family, Mr. George P. Jones of the Golden Eagle, with his wife and two sons, Mr. C. E. Cathcart of Robinson & Co., with Mrs. Cathcart, Mr. Tom Taylor of George Jones & Co., Mr. Henry Lamp of Herman & Sons, Mr. W. H. Cox of the Wichita Star, Mr. L. L. Loomis of "The Tribune," Mr. C. L. Reed of The Price Current, Mrs. Malibay, the guest of Mrs. Cathcart, Miss Helen Smith, Miss Maud Dorsey, Miss Maud McCracken, Miss May Kelen, Miss Nellie Crawford, Miss Anna and Nettie Lindavore, Mr. R. S. Brigham, contractor of street car advertising of Topeka and Dave Leahy.

The party commenced consisted of an immense lot of ice cream, a full bunch of children, a large number of varieties of cake, fresh roasted peanuts and other delicacies.

When the car reached Riverside park a half hour was given to a very delightful discussion of ice cream, and other subjects. Tables were laid at the beautiful Rose Fountain and Mr. Marshall W. Dorsey, the president of the athletes, presided as toastmaster. Mr. Henry Lamp was the first to be introduced and he responded to the toast, "The Club," in a most entertaining manner. He then introduced the music of that trolley car stream which moved out of the little boat to the athletic fountain.

Mr. George P. Jones responded to the toast "Our Profession" with the usual eloquence of a Neoktician and scattered a wealth of rhetorical bouquets that were very happily received.

"Our Ladies" was the toast to which Mr. C. E. Cathcart responded. It is a theme that can never be exhausted and Mr. Cathcart gave a most excellent and unusually clever and brilliant speech.

"Josephine" was the next toast assigned to Mr. C. L. Reed and Edward Delaney himself could not have done better. Mr. Reed drew a picture of present Wichita as it will appear to the citizens of a decade hence.

Other eloquent speakers were on the program, but the speeches were so exhausted and the hour was late. Remarks were expressed that the trolley car was a delightful diversion for the men who were thought and time with the work of writing the advertisements that make Wichita the pre-eminent commercial center of the southwestern trade.
